Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: App. submitted 2 sets of claims (which were different) each numbered as 32-56 based on exr's action which noted that the claims submitted 6-28-04 were non-responsive. To overcome this problem, the claims submitted 8-10-04 have been renumbered as 57-81. The claims 32-56 submitted on 6-28-04 have been canceled. Applicant had also submitted an amendment to the spec and drawings on 8-10-04 but the examiner did not consider these papers. The exr will consider amendment to spec and drawing in next response to applicant. Applicant will send additional response in light of claim renumbering. The office action mailed 8-30-04 is withdrawn and applicant need not respond to it.
